## MESSAGE FROM THE BOARD PRESIDENT AND EXECUTIVE DIRECTOR

*Alberto Cortés*  
Executive Director

“Fifteen years translates to some 3.5 million meals and thousands of lives made better because Mama’s was there to provide nutrition and hope.”

*John Pelkey*  
Board President

The year 2005 was one of exploration, introspection and affirmations. Of course, this occurred without us ever missing a step in our daily duties of preparing, packaging and delivering nutritious meals throughout San Diego County.

On February 23, 2006, the Board of Directors of Mama’s Kitchen voted in favor of expanding our mission to provide nutritional services to people under the age of 60 with other disabilities – an historic decision for our organization and one that was the culmination of a long and thoughtful process that began in 2005.

Wanting to make sure that we had the valuable input from every possible stakeholder, we conducted key interviews, focus groups, extensive research and surveys before implementing a six-month pilot project. In order to make a well-informed decision, the Board explored the following areas of concern:

- ♦ *Identifying existing unmet food-service needs in San Diego County*
- ♦ *Quantifying Mama’s Kitchen’s capacity to serve more people*
- ♦ *Establishing appropriate eligibility criteria*
- ♦ *Assessing Mama’s Kitchen’s ability to raise the funds necessary for expansion*
- ♦ *Assessing the level of support of our stakeholders – including donors, volunteers, staff, and the LGBT community – for the idea of an expanded mission*

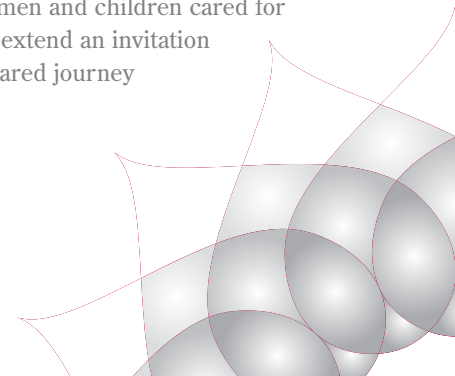

As this new chapter in the history of Mama’s Kitchen is initiated, we renew and affirm our commitment to provide nutritious food to people affected by HIV/AIDS.

The 1,206 men, women and children served by Mama’s Kitchen’s in 2005 can attest to our continued dedication to responding to their needs. In addition to our ongoing hot-meal delivery program, the family grocery bag program, and our collaborations with other AIDS service organizations, Mama’s Pantry remained successful during its second year of service, averaging more than 250 client visits per month.

Also of note in 2005 was our first annual Mama’s Pie in the Sky fundraising event. This undertaking required the involvement of hundreds of people from sales teams, to drop-off site staffers, to the bakers of pies, to the folks who boxed and labeled and presorted, and so on. Close to 3,000 pies were sold – a testament to your work and dedication.

On top of all this, we celebrated our 15th year of service to the San Diego community in September 2005. Fifteen years translates to some 3.5 million meals and thousands of lives made better because Mama’s was there to provide nutrition and hope.

Thus, as we move toward an expanded mission and the unforeseen challenges and opportunities that come with this added commitment, we pause with a statement of gratitude to those who have stayed the journey. To the most dedicated of volunteers, the most generous of contributors, the most loyal of employees and the most committed of boards: we thank you on behalf of the HIV/AIDS-affected men, women and children cared for by Mama’s Kitchen. And we extend an invitation to you to continue on this shared journey of love and compassion.

# our minds to A NEW CHAPTER.

The old saying, “when life gives you lemons, make lemonade,” was given a new spin by Mama’s Kitchen in 2005: “When you lose government funding, make pies.”

## MAMA'S PIE IN THE SKY HAS A SUCCESSFUL DEBUT

Mama's *Pie in the Sky* was patterned after a fundraising event developed by Community Servings in Boston and adopted by many of our other sister programs around the country. The premise was simple — ask local organizations to donate pies and then sell them for \$20 apiece. But it took a tremendous amount of organization (including more than 200 volunteers at 45 pick-up locations and Pie Central) to make it happen.

And happen it did! From October 19 - November 16, we pre-sold more than 2,900 pies, which were picked up by purchasers on the day before Thanksgiving, just in time for holiday feasts. We'd hoped to raise at least \$50,000, and we did even better than that — net proceeds were over \$60,000, “sweet” funds that will be used to support our home-delivered meals, Family Grocery Bag Program, and Children's Nutritional Health Project.

There are so many people to thank for the success of Mama's *Pie in the Sky*, which will be an annual event. Restaurants and bakeries from around the county donated apple, pecan and pumpkin pies (including diabetic apple pies), and our wonderful volunteers served as sales teams, helped label each pie with its donor's name, and staffed the pick-up locations.

We'd be remiss if we didn't mention the pie-buying public, which responded with great enthusiasm to this fundraising effort. As word-of-mouth grows each year, we expect the demand for pies to rise accordingly...along with our proceeds. Boston's Pie in the Sky nets well over \$300,000 annually for Community Servings... and how sweet it would be for us to reach that level!

We are truly blessed with community support. Mama's Kitchen is staffed by only nine full- and two part-time paid employees, but with 850 active volunteers to supplement our talent pool, we're able to produce the results of an organization with 27 full-time employees. This is one major reason why Mama's Kitchen is such an exceptionally efficient provider of unmet community services.

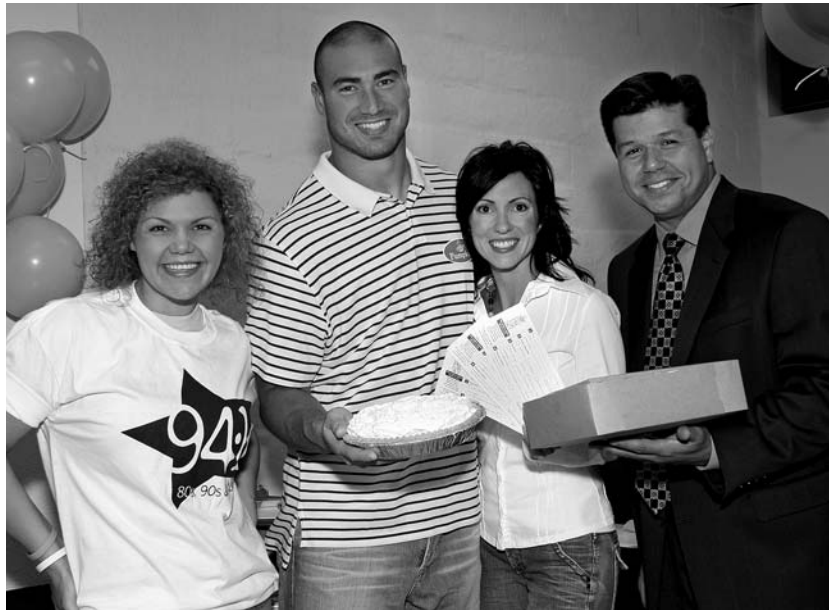

In 2005, our 850 volunteers worked more than 36,000 hours to help make our mission a success by supplying critical services that would have cost \$653,000 if paid for at the rate suggested by the nonprofit research organization, Independent Sector. These savings were used instead to provide an additional 292,000 meals for men, women and children whose lives have been deeply affected by severe poverty and AIDS.

We recruited 351 new people in 2005 to replace the natural attrition of volunteers experienced by every organization and, on any given day, 66 volunteers gave of their time and talents to prepare, package and deliver food to clients in need. This magnificent daily infusion of commitment and love is what makes Mama's Kitchen so special...and so worthy of our renewed support.
