mama's kitchen

---

FISCAL YEAR JULY 1, 2019  
THROUGH JUNE 30, 2020

# OUR MISSION

Mama's Kitchen believes that everyone is entitled to the basic necessity of life – nutritious food. Our services improve the health and well-being of individuals and families vulnerable to malnutrition due to critical illness.

## ♥ OUR VISION FOR THE FUTURE

At Mama's Kitchen, we envision a community where all individuals with critical illnesses are no longer vulnerable to malnutrition.

## ♥ OUR WORK

Mama's Kitchen strives to provide nutritional support to San Diego residents at risk of malnutrition due to critical illness such as HIV, cancer, congestive heart failure and diabetes.

We support our clients by helping them avoid malnutrition, increase medication adherence, lower health care costs, and improve their overall quality of life. Mama's Kitchen provides home-delivered medically tailored meals, food pantry service and nutrition education, all at no cost to clients.

# A MESSAGE FROM OUR CHIEF EXECUTIVE OFFICER AND BOARD PRESIDENT

## THANK YOU FOR HELPING MAMA'S KITCHEN ACCOMPLISH GREAT THINGS FOR OUR COMMUNITY IN OUR 2019-2020 FISCAL YEAR.

This past year, we were presented with opportunities to broaden our mission and serve the increasing needs of our critically ill neighbors. Mama's Kitchen has always been an organization that looks for solutions. We are grateful to be able to rely on you, our supporters and partners, to implement change, adapt, and continue providing healing nutrition to those battling critical illness.

## EMERGENCY RESPONSE

In 2020, your support of our emergency response efforts helped Mama's Kitchen adapt to meet the needs of our community during the threat of COVID-19. In March, we responded immediately, balancing a 63% increase in demand while maximizing safety for our staff, volunteers, and clients. We did so by modifying our menus and procedures to continue delivering nutritious meals, while preserving our quality. We encouraged our high-risk volunteers

to self-isolate and recruited and trained 251 new volunteer delivery drivers and added 26 new delivery routes. In total, we delivered 528,034 meals this fiscal year – a new organizational record.

In March, we made the difficult but necessary decision to temporarily close Mama's Pantry. We immediately allowed our pantry clients, individuals with HIV and low income, to enroll in our Home-Delivered Meal Service to keep them safe.

## BUILDING CAPACITY

As you know, in the past three years, our focus shifted to providing medically tailored meals to promote the best health outcomes for the critically ill clients we serve. In December 2019, we hired our second registered dietitian, which allowed us to offer more nutritional counseling services within the diabetes and congestive heart failure pilot programs. This also built more capacity for future expansion of our mission scope and service.

In April 2020, Mama's Kitchen began its first managed care contract with Blue Shield Promise, a Medi-Cal managed care program.

This partnership is the first of its kind for Mama's Kitchen, and a pivotal step in gaining recognition and access to medically tailored nutrition through managed health care. We are so thrilled for this positive step towards making nutrition-based therapy a healthcare intervention.

Thank you for the ways you stepped forward and demonstrated your extraordinary generosity and kindness towards your neighbors this past year. Your belief in, and support of, our mission has allowed us to successfully respond to a second public health crisis in 30 years, to grow and expand our services, and initiate a new avenue for reaching more critically ill people. Your support is invaluable to the work of Mama's Kitchen.

*It is this community  
that keeps us going.*

# OUR PROGRAMS

## HOME-DELIVERED MEAL SERVICE

**The Home-Delivered Meal Service is the only complete no-cost meal delivery and nutrition service available for critically ill San Diego residents.**

The Home-Delivered Meal Service breaks down barriers to healthy nutrition by preparing and delivering medically tailored meals to individuals and children vulnerable to malnutrition due to HIV, cancer and other critical illnesses. The medically tailored meals we deliver allow clients to strengthen their immune systems; improve adherence to treatment,

reduce complications and hospitalizations, increase energy, and improve quality of life. The Home-Delivered Meal Service also provides meals to our clients' dependent children, strengthening family stability and ensuring that children at risk of malnutrition avoid the physical and psychological consequences of childhood hunger.

## NUTRITION EDUCATION

**Our Nutrition Education services provide evidence-based application focused on prevention, delay or management of disease and enhanced self management.**

Nutrition Education is an important component of Mama's Kitchen's medically tailored nutrition intervention. Nutrition Education, conducted through Medical Nutrition Therapy (MNT) or Nutrition Counseling, is provided by our registered dietitians, and educates clients on specific ways they can use nutrition to increase

treatment response and improve quality of life. Depending on their diagnosis, each Mama's Kitchen client receives between one and four nutrition counseling sessions by phone or in person.

## MAMA'S PANTRY & EMERGENCY FOOD ASSISTANCE PROGRAM\*

**Mama's Pantry is a grocery pantry available to HIV positive San Diego residents whose income does not exceed \$1,500 per month, or those who face an emergent need for food assistance.**

Once a month, clients who are healthy enough to shop on their own, but whose extremely low income prevents them from being able to afford nutritious, healthy food, can visit Mama's Pantry and shop for the equivalent of 21 meals per visit. The pantry offers a variety of healthy, non-perishable items such as cereals, pastas, and canned goods as well as a variety of perishable items, including meat, dairy, fresh fruit, produce, and bread. The Emergency Food

Assistance Program, allows clients, once referred by case workers, to receive up to 12 weekly grocery bags in a 12-month period. The Emergency Food Assistance Program is funded by the County of San Diego with Ryan White Care Act funds.

*\*Due to the COVID-19 pandemic, Mama's Pantry temporarily closed on March 20. To protect our clients, Pantry clients were allowed to enroll in our Home-Delivered Meal Service.*

# OUR CLIENTS

**CARMEN**

CANCER NUTRITION PROGRAM CLIENT

“With Mama’s Kitchen meals, I don’t have to worry about what to cook, or how to get the food home. I don’t have the strength to peel vegetables or stand up to cook. Mama’s Kitchen has given me much needed food and peace of mind.”

**TONY**

DIABETES NUTRITION PROGRAM CLIENT

“My first Mama’s Kitchen meals were delivered right after I got out of the hospital for my toe amputation. While receiving the meals and nutrition counseling, I’ve learned an alternative way to eat compared to how I ate before. I’ve learned about portion control and how much I enjoy vegetables. Thank you for the help you’ve given me during this time—it’s made a huge difference.”

**ROBERT**

MAMA’S PANTRY CLIENT WHO STARTED RECEIVING HOME-DELIVERED MEALS DURING COVID-19

“I began receiving Mama’s Kitchen meals after I was discharged from the hospital after contracting COVID-19. The meals have been a big help. It’s a blessing not having to go out and shop or cook food while I am suffering with extreme fatigue.”

**ERIK**

HIV NUTRITION PROGRAM CLIENT

“This program has helped me so much by providing balanced, healthy meals every day. If not for the food deliveries, I would be living on fast food or going without food to have money to pay my rent and bills. I feel so much better now that I am eating good food! I’m not going to lose my fight with this disease—I’m going to keep fighting, and someday I’ll beat it. I know I can depend on Mama’s Kitchen to help me and support me as long as I need them.”

# COVID-19 EMERGENCY RESPONSE

Mama's Kitchen was founded in 1990 in response to the HIV epidemic in San Diego. In the Spring of 2020, as our organization prepared to enter our 30th anniversary, and still actively fighting the battle against HIV, we found ourselves faced with a second major public health crisis—the COVID-19 pandemic.

As case numbers, hospitalizations and deaths rose around and world and a California stay-at-home order went into effect March 19, 2020, Mama's Kitchen prepared to respond. Research quickly showed that preexisting medical conditions, including HIV, cancer, diabetes, and congestive heart failure, increase vulnerability to severe complications from COVID-19. It also became clear that social inequalities, such as low income and lack of access to healthcare, increase risk. By May 29th, Mama's Kitchen went from delivering to 430 clients each delivery day, to 707 clients, a 63% increase in demand.

In response to the pandemic, our team implemented new procedures to ensure the continuation of our essential service, while protecting the health and safety of our clients, volunteers, and staff.

## MODIFIED PROCURES

### NO CONTACT DELIVERY PROCESS

We transitioned to a "no contact" delivery process where volunteer drivers call clients, set down the bags and step six feet back for clients' safety.

### MAMA'S PANTRY TEMPORARY CLOSURE

On March 20th, we temporarily closed Mama's Pantry for the health and safety of these clients and allowed them to temporarily enroll in our Home-Delivered Meal Service so they could receive the nutrition they need, without leaving home.

### VOLUNTEERS AND STAFF OPERATIONS

While volunteers perform many of our critical tasks, we shifted to operating with exceptionally few volunteers and increased staff hours. Only essential operations staff worked on-site, we limited the number of people in our kitchen, and encouraged all volunteers over 65 to self-isolate. Mama's Kitchen's staff and a small team of volunteers worked to ensure every meal was prepared.

### VIRTUAL NUTRITION EDUCATION

Nutritional counseling is an important component of our Home-Delivered Meal Service. These sessions help to develop a customized diet based on the client's diagnosis, comorbidities, medications, and dietary restrictions, while also educating the client. While most of these sessions used to take place at the client's home, we quickly transitioned to phone counseling sessions. These calls are often the only conversations clients have during self-isolation.

With the support of our dedicated staff, board, volunteers, and community donors, we were able to achieve the following emergency response impact.

## EMERGENCY RESPONSE IMPACT

### INCREASE IN DEMAND

**63%** INCREASE

Demand for our Home-Delivered Meal Service has increased by a staggering **63%** since the beginning of the pandemic. This means cooking and delivering 5,700 additional meals every week.

### INCREASED DELIVERY ROUTES

**26** NEW ROUTES

Since March, we added **26 new delivery routes**, going from a total of 36 to 62 routes, or a 72% increase in total routes.

### NEW RECORD DELIVERY DAY

**707** CLIENTS ON A SINGLE DELIVERY DAY

On Friday, May 29th, we delivered 8,484 meals to **707 clients**, the largest number we have ever served in one day, throughout our 30-year history.

### EMERGENCY SHELF STABLE FOOD BAGS

**548** BAGS  
**18,900** LBS OF FOOD DELIVERED

In April, we delivered a one-week supply of shelf-stable food to each client, in addition to our regular meal deliveries, by delivering a week's worth of non-perishable food items, guaranteeing that clients had healthy food in the event that unforeseen circumstances paused or slowed our operations.

### THE NUMBER OF NEW CLIENTS ENROLLED AFTER THE PANDEMIC BEGAN

**597** NEW CLIENTS (MARCH 20TH - JUNE 30TH)

Since the beginning of the pandemic, Mama's Kitchen has added a total of **597 new clients**.
